It is agreed that the Plaintiffs may seek permission from the Courts to conduct the approval process of this settlement on a national basis through a coordinated joint hearing before the Courts.

- (2) Notwithstanding Section 2.5(1), at any time after the Execution Date, Class Counsel may provide a copy of this Settlement Agreement to the Courts and to the Non-Settling Defendants and shall notify the Settling Defendant that it is doing so.

## **SECTION 3 SETTLEMENT PAYMENTS**

### **3.1 Payment of Settlement Amount**

- (1) On the Execution Date, Class Counsel shall provide the information necessary to remit payment to Counsel for the Settling Defendant. Within sixty (60) days of the Execution Date, the Settling Defendant shall pay CAD \$950,000 of the Settlement Amount for deposit into the Trust Account (the "First Payment"). - (4) Ontario Counsel or its duly appointed agent shall maintain the Trust Account as provided for in this Settlement Agreement.

- (5) Ontario Counsel or its duly appointed agent shall not pay out all or any part of the monies in the Trust Account, except in accordance with this Settlement Agreement, or in accordance with an order of the Courts obtained after notice to the Parties.

### **3.2 Taxes and Interest**

- (2) Subject to Section 3.2(3), all taxes payable on any interest which accrues on the Settlement Amount in the Trust Account shall be the responsibility of the Settlement Classes. Ontario Counsel or its duly appointed agent shall be solely responsible to fulfill all tax reporting and payment requirements arising from the monies in the Trust Account, including any obligation to report taxable income and make tax payments. All taxes (including interest and penalties) due with respect to the income earned on the monies in the Trust Account shall be paid from the Trust Account.
- (3) The Settling Defendant shall have no responsibility to make any filings relating to the Trust Account and will have no responsibility to pay tax on any income earned by the monies in the Trust Account or pay any taxes on the monies in the Trust Account, unless this Settlement Agreement is not approved, is terminated or otherwise fails to take effect, in which case the interest earned on the Settlement Amount in the Trust Account shall be paid to the Settling Defendant who, in such case, shall be responsible for the payment of all taxes on such interest not previously paid by Ontario Counsel or its duly appointed agent.

## **SECTION 4 COOPERATION**

### **4.1 Extent of Cooperation**

- (1) Within ninety (90) days of the Effective Date, or at such time as is mutually agreed upon by the Parties acting reasonably, the Settling Defendant shall provide to Class Counsel an oral evidentiary proffer:
  - (a) the oral evidentiary proffer shall be conducted through a meeting between Class Counsel, Counsel for the Settling Defendant and a representative of the Settling Defendant. The oral evidentiary proffer may, at the discretion of the Settling Defendant, include their U.S. Litigation counsel. During the proffer, the

representative of the Settling Defendant will set out his relevant and non-privileged information, including information derived from pre-existing business records, testimonial transcripts and employee or witness interviews (if applicable);

- (b) the Settling Defendant shall use best efforts to facilitate the attendance of Mr. Satoshi Okubo, a former sales executive of the Settling Defendant, at the oral evidentiary proffer as its representative, as referred to in Section 4.1(1)(a) herein. The Plaintiffs confirm their understanding that Mr. Okubo is retired and no longer employed by the Settling Defendant, and, as such, cannot be compelled by the Settling Defendant to attend the oral evidentiary proffer. The Settling Defendant confirms that it has spoken to Mr. Okubo about attending the oral evidentiary proffer as its representative and Mr. Okubo has advised the Settling Defendant that he is not opposed to providing the oral evidentiary proffer on the Settling Defendant's behalf. If Mr. Okubo is unavailable, unable, or ultimately unwilling to provide the oral evidentiary proffer, the Settling Defendant, in consultation with Class Counsel, will identify and provide a suitable replacement representative, which may include counsel for the Settling Defendant;
- (c) the oral evidentiary proffer shall focus on the subject of the representative of the Settling Defendant and/or the Settling Defendant's specific knowledge and information concerning how the alleged conspiracy was formed, implemented and enforced, the conduct of the Non-Settling Defendants, including in particular the identification and production to Class Counsel of "key" documents and testimony given in the U.S. Litigation in respect of the conduct of the Non-Settling Defendants. During the proffer, the representative of the Settling Defendant and counsel for the Settling Defendant shall also answer Class Counsel's reasonable questions concerning the conduct and involvement of specific Non-Settling Defendants, to the extent known, in the alleged conspiracy;
- (d) the oral evidentiary proffer shall be conducted virtually through a secure virtual meeting platform. The oral evidentiary proffer may last up to six (6) hours and may be subdivided into up to three separate sessions. If so subdivided, the Parties acknowledge that the ninety (90) days from the Effective Date to hold the oral evidentiary proffer shall apply only to the first of those so subdivided and separate sessions; and

- (e) notwithstanding any other provision of this Settlement Agreement, and for greater certainty, it is agreed that all statements made and information provided by the representative of the Settling Defendant and counsel for the Settling Defendant as part of the oral evidentiary proffer shall comply with the applicable protective orders in the U.S. Litigation.
- (2) Following the execution of this Settlement Agreement, if reasonably requested by the Plaintiffs, the Settling Defendant will use best efforts to provide information and/or documents for use in support of the settlement approval motions contemplated in Section 2.3 herein. The Plaintiffs will, to the extent possible, rely on the evidence already filed by the Settling Defendant in the Ontario Electrolytic Action in respect of these issues and will only request additional information to the extent necessary to supplement the existing evidentiary record.
- (3) Sixty (60) days before the first scheduled examination for discovery in any of the Proceedings, or at a time mutually agreed upon by the Parties acting reasonably, the Settling Defendant shall provide to Class Counsel, to the extent permitted by relevant protective order in the U.S. Litigation:
  - (a) copies of all Documents produced by the Settling Defendant in the U.S. Litigation (which the Settling Defendant confirms includes copies of all Documents produced by the Settling Defendant to the United States Department of Justice, including all pre-existing translations, all to be provided in electronic form), including transaction data and all pre-existing translations, as well as exhibit lists from all parties all to be provided in electronic form. U.S. Litigation Documents will, to the extent possible, be produced with the same document numbers utilized in the U.S. Litigation; and
  - (b) electronic copies of all deposition transcripts, exhibits and responses to written interrogatories given by current or former employees, officers and directors of the Releasees in the U.S. Litigation.
- (4) Following the production contemplated in Section 4.1(2), counsel for the Settling Defendant shall make themselves available for reasonable follow-up questions from Class Counsel regarding the oral evidentiary proffer given pursuant to Section 4.1(1) or the documents produced pursuant to Section 4.1(3). Class Counsel may request a meeting

with counsel for the Settling Defendant, of up to two (2) hours, for the purpose of discussing Class Counsel's consolidated reasonable follow-up questions.

- (5) The Parties shall make best efforts to facilitate a representative of the Settling Defendant to testify at trial in the Proceedings, but in no circumstances shall counsel for the Settling Defendants be required to testify at trial. The Settling Defendant also agrees to provide affidavit evidence to assist the Plaintiffs in authenticating any of the Documents produced in accordance with this Settlement Agreement at trial to the extent the Settling Defendant can establish their authenticity and that the Plaintiffs require their authentication for their admission and use at any point in the Proceedings, including at trial. If required by the Courts, or if required by a defendant to the Québec Action pursuant to article 292 of the Québec Code of Civil Procedure, the Settling Defendant also agrees to provide such authentication by live testimony. The failure of a specific officer, director or employee to agree to make him or herself available, or to otherwise cooperate with the Plaintiffs, shall not constitute a violation of this Settlement Agreement. The Parties agree to collaborate to minimize the costs incurred by, and the expenses of, the Settling Defendant in relation to such evidence, including any cost for travel and a translator where necessary, and agree that Class Counsel shall assume these costs.
- (6) Nothing in this Settlement Agreement shall require, or shall be construed to require, the Settling Defendant, or any representative or employee of the Settling Defendant, to disclose or produce any Documents or information that is subject to any attorney-client privilege or other legal privileges, or to disclose or produce any Documents or information in breach of any order (including the protective order in the U.S. Litigation), non-disclosure or confidentiality obligation, regulatory directive, rule or law of this or any jurisdiction, it being understood and agreed that no order, non-disclosure or confidentiality obligation applies or shall apply to prevent the productions of the Settling Defendant's own documents. For clarity, Class Counsel agrees that the Documents or information produced by the Settling Defendant pursuant to Sections 4.1(1), 4.1(2) and 4.1(3) are produced subject to the deemed undertaking rule and the limits prescribed by Section 4.2.
- (7) If any of the Documents or information produced by the Settling Defendant pursuant to Section 4.1 are accidentally or inadvertently disclosed or produced, the Party discovering such disclosure or production shall notify the other and (i) such Documents shall be promptly returned to the Settling Defendant, (ii) the Documents and the information contained therein shall not be disclosed or used, directly or indirectly, except with the

express written permission of the Settling Defendant, (iii) the production of such Documents shall in no way be construed to have waived in any manner any privilege, doctrine, law, or protection attached to such Documents, and (iv) the Plaintiffs shall not assert that any such waiver has occurred.

- (8) The obligations of the Settling Defendant to cooperate as particularized in this Section 4.1 shall not be affected by the release provisions contained in Section 7 of this Settlement Agreement. The obligations of the Settling Defendant to cooperate shall cease at the date of final judgment in the Proceedings as against all Defendants.
- (9) If the Settling Defendant materially breaches this Section 4.1, the Plaintiffs may move before the Courts to enforce the terms of this Settlement Agreement and may exercise any rights they have to seek or obtain testimony, discovery, information or Documents from the Settling Defendant. The Settling Defendant may oppose any such motion. Before making a motion under this Section 4.1(9), the Plaintiffs will provide the Settling Defendant with forty-five (45) days written notice of the alleged material breach in order to provide the Settling Defendant an opportunity to cure such alleged material breach.
- (10) Subject to Section 4.1(9), the provisions set forth in this Section 4.1 are the exclusive means by which the Plaintiffs and Class Counsel may obtain discovery, information or Documents from the Settling Defendant and other Releasees, and the Plaintiffs and Class Counsel agree that they shall not pursue any other means of discovery against, or seek to compel the evidence of, the Settling Defendant or other Releasees, whether in Canada or elsewhere and whether under the rules or laws of any Canadian or foreign jurisdiction.
- (11) For greater clarity, the Plaintiffs through this Settlement Agreement do not waive any rights they may have to seek or obtain cooperation testimony, discovery, information or Documents from those officers, directors and/or employees of the Settling Defendant and other Releasees who, as at the Effective Date, are former officers, directors and/or employees of the Settling Defendant or other Releasees.
- (12) A material factor influencing the Settling Defendant's decision to execute this Settlement Agreement is their desire to limit the burden and expense of this litigation. Accordingly, the Plaintiffs and Class Counsel agree to exercise good faith in seeking cooperation from the Settling Defendant, agree not to seek information that is unnecessary, or duplicative and agree otherwise to avoid imposing undue or unreasonable burdens or expense on the Settling Defendant and other Releasees.

- (13) The Settling Defendant shall use best efforts to ensure the completeness of any of the Documents or information to be provided in accordance with this Section 4.1, but do not represent that they can or will produce a complete set of any of the Documents or information described in this Section.

#### **4.2 Limits on Use of Documents and Other Information**

- (1) It is understood and agreed that all information made available or provided by the representative of the Settling Defendant and/or the Settling Defendant to the Plaintiffs through the oral evidentiary proffer and any follow-up questions and responses are privileged, will be kept strictly confidential, and may not be directly or indirectly disclosed to any other Person, except to the extent that the Documents or information are or become publicly available or available for use in the Proceedings without any breach of this Settlement Agreement by the Plaintiffs or Class Counsel, unless disclosure is ordered by a Court or unless there is an agreement between the Plaintiffs and the Settling Defendant to make such disclosure. Further, absent a Court order, Class Counsel and the Plaintiffs will not attribute any factual information obtained from the proffer or follow-up questions and responses to the Settling Defendant and/or Counsel for the Settling Defendant. Notwithstanding the foregoing, Class Counsel may: (i) use information obtained from the proffer and follow-up questions and responses in the prosecution of the Proceedings, including for the purpose of developing the Distribution Protocol(s) or any other allocation plan relating to any settlement or judgment proceeds, except the prosecution of any claims against Releasees; and (ii) rely on such information to certify that, to the best of Class Counsel's knowledge, information and belief, such information has evidentiary support or will likely have evidentiary support after reasonable opportunity for further investigation or discovery, but, absent a Court order, the Plaintiffs shall not introduce any information from a proffer or a response to a follow-up question into the record or reference any such information or subpoena any Counsel for the Settling Defendant or the Settling Defendant related to a proffer or follow-up questions and responses.
- (2) The Plaintiffs and Class Counsel agree they will not disclose the Documents provided by the representative of the Settling Defendant and/or the Settling Defendant and any information contained therein except: (i) to experts, consultants or third-party service providers retained by them in connection with the Proceedings who have agreed to comply with the provisions of this Settlement Agreement and any confidentiality orders issued as contemplated by Section 4.2(3); (ii) as evidence in the Proceedings; (iii) to counsel for

Non-Settling Defendants for the purposes of settlement negotiations, only to be shared on a highly confidential and without-prejudice basis, and with advance notice to Counsel for the Settling Defendant; or (iv) as otherwise required by law. Subject to the foregoing, the Plaintiffs and Class Counsel shall take reasonable precautions to ensure and maintain the confidentiality of such Documents and information, and of any work product of Class Counsel that discloses or incorporates such Documents and information, except to the extent that the Documents and information are or become publicly available or available for use in the Proceedings without any breach of this Settlement Agreement by the Plaintiffs or Class Counsel.

- (3) If the Plaintiffs intend to produce for discovery, file in the Proceedings, or otherwise make public any Documents or other information provided by the Settling Defendant as cooperation under the Settlement Agreement, the Plaintiffs shall provide the Settling Defendant with an advance description of the Documents or other information sought to be produced or filed at least sixty (60) days in advance of the proposed production or filing, in order that the Settling Defendant may make a motion to obtain a sealing or confidentiality order or similar relief. If, within the sixty (60) day period, the Settling Defendant do not so move, the Plaintiffs and Class Counsel can produce or file the information or Documents in the ordinary course. If, within that sixty (60) day period, the Settling Defendant so move, the Plaintiffs and Class Counsel shall not oppose the position taken by the Settling Defendant and shall not disclose the confidential Documents or information until the Settling Defendant's motion has been decided and all applicable appeal periods have expired.
- (4) Notwithstanding Section 4.2(3), so as not to delay prosecution of the Proceedings, Class Counsel may:
  - (a) provide, on an interim basis, Documents or information to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree that, until the Settling Defendant's motion has been decided and all applicable appeal periods have expired, they will keep the Documents or information on an external counsel only basis and will only disclose such Documents or information to independent expert(s) retained by a Party for the purposes of the Proceedings, as well as secretarial, clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary. An independent expert may not be an

employee of a Plaintiff or Defendant in the Proceedings, or a competitor of the Settling Defendant; and

- (b) file such Documents or information with the relevant Court in sealed envelopes or other appropriate containers, segregated from the public record, endorsed with the title of the Proceeding and the following statement: "This envelope/box/container containing documents which are filed by [name of Party] and subject to a pending confidentiality motion is not to be opened nor the contents thereof to be displayed or revealed to any non-Court personnel except by order of the Court", and such records shall not form part of the public record in the relevant Proceeding except upon order of the relevant Court or by agreement of all Parties and/or the Settling Defendant whose confidential information is contained therein.
- (5) In the event that a Person applies for an order requiring the Plaintiffs to disclose or produce any Documents or information provided by the Settling Defendant as cooperation under this Settlement Agreement, the Plaintiffs shall notify the Settling Defendant of such application promptly upon becoming aware of it and no later than ten (10) days after disclosure or production is sought, in order that the Settling Defendant may oppose such disclosure or production. In no circumstances shall the Plaintiffs or Class Counsel apply for, consent to, or encourage such an application for disclosure or production. The Plaintiffs and Class Counsel shall not oppose the position taken by the Settling Defendant and shall not disclose the confidential information or Documents until the motion concerning use of such Documents or information has been decided and a final order has been issued requiring the Plaintiffs and/or Class Counsel to produce the relevant information or Documents and any applicable appeal periods have expired, except: (i) to the extent such information or Documents are or become otherwise publicly available or available for use in the Proceedings without any breach of this Settlement Agreement by the Plaintiffs or Class Counsel; (ii) as ordered to do so by a Court; or (iii) in accordance with Section 4.2(4)(a).
- (6) The Plaintiffs shall in good faith consult with the Settling Defendant before the Plaintiffs agree to the terms of any confidentiality agreement or confidentiality order which would govern the confidentiality of Documents or information originating from the Settling Defendant in the Proceedings, and shall make best efforts to accommodate the Settling Defendant's reasonable requests in respect of the same.

12. **THIS COURT ORDERS** that all claims for contribution, indemnity or other claims over, whether asserted, unasserted, or asserted in a representative capacity, inclusive of interest, taxes and costs relating to the Released Electrolytic Claims, which were or could have been brought in the Electrolytic Proceedings or any Other Actions, or otherwise, or could in the future be brought on the basis of the same events, actions and omissions underlying the Electrolytic Proceedings or any Other Actions, by any Non-Settling Electrolytic Defendant, any named or unnamed alleged co-conspirator that is not a

Releasee, any Settled Electrolytic Defendant, or any other Person or party against a Releasee, or by a Releasee against any Non-Settling Electrolytic Defendant, any named or unnamed alleged co-conspirator that is not a Releasee, any Settled Electrolytic Defendant, or any other Person or party, are barred, prohibited and enjoined in accordance with the terms of this paragraph (unless such claim is made in respect of a claim by a Person who has validly opted out of the Proceedings);

13. **THIS COURT ORDERS** that if this Court ultimately determines that there is a right of contribution and indemnity or other claim over, whether in equity or in law, by statute or otherwise:
- a. the Ontario Electrolytic Plaintiffs and Ontario Electrolytic Settlement Class Members shall not be entitled to claim or recover from the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee that portion of any damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigative costs claimed pursuant to section 36 of the *Competition Act*) that corresponds to the Proportionate Liability of the Releasees proven at trial or otherwise;
  - b. the Ontario Electrolytic Plaintiffs and Ontario Electrolytic Settlement Class Members shall limit their claims against the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, to include, and shall only seek to recover from the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, only such claims for damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*), attributable to the aggregate of the several liability of the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, to the Ontario Electrolytic Plaintiffs and Ontario Electrolytic Settlement Class members, if any, and, for greater certainty, the Ontario Electrolytic Settlement Class members shall be entitled to seek to recover such damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of

the *Competition Act*) on a joint and several basis as between the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, if permitted by law; and

- c. this Court shall have full authority to determine the Proportionate Liability of the Releasees at the trial or other disposition of the Ontario Electrolytic Action, whether or not the Settling Defendant remains in the Ontario Electrolytic Action or appears at the trial or other disposition, and the Proportionate Liability of the Releasees shall be determined as if the Releasees are parties to the Ontario Electrolytic Action and any determination by this Court in respect of the Proportionate Liability of the Releasees shall only apply in the Ontario Electrolytic Action and shall not be binding on the Releasees in any other proceeding.
14. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which the Non-Settling Electrolytic Defendants may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*) or judgment against them in favour of members of the Ontario Electrolytic Settlement Class in the Ontario Electrolytic Action or the rights of Ontario Electrolytic Plaintiffs and Ontario Electrolytic Settlement Class members to oppose or resist any such arguments, except as provided for in this Order.
  15. **THIS COURT ORDERS** that a Non-Settling Electrolytic Defendant may, on motion to this Court determined as if the Settling Defendant remained parties to this action, brought on at least thirty (30) days' notice to Counsel for the Settling Defendant and not to be brought until the Ontario Electrolytic Action against the Non-Settling Electrolytic Defendants has been certified as a class proceeding (but not including any certification for settlement purposes), seek orders for the following:
    - a. documentary discovery and an affidavit of documents from the Settling Defendant in accordance with the Ontario *Rules of Civil Procedure*;
    - b. oral discovery of a representative of the Settling Defendant, the transcript of which may be read in at trial;
    - c. leave to serve a request to admit on the Settling Defendant in respect of factual matters; and/or

- d. the production of a representative of the Settling Defendant to testify at trial, with such witness to be subject to cross-examination by counsel for the Non-Settling Electrolytic Defendants.
16. **THIS COURT ORDERS** that the Settling Defendant retains all rights to oppose such motion(s) brought under paragraph 15. Moreover, nothing herein restricts the Settling Defendant from seeking a protective order to maintain confidentiality and protection of proprietary information in respect of Documents to be produced and/or for information obtained from discovery in accordance with paragraph 15. Notwithstanding any provision in this order, on any motion brought pursuant to paragraph 15, this Court may make such orders as to costs and other terms as it considers appropriate.
17. **THIS COURT ORDERS** that a Non-Settling Electrolytic Defendant may serve the motion(s) referred to in paragraph 15 above on the Settling Defendant by service on Counsel for the Settling Defendant in the Ontario Electrolytic Action.
18. **THIS COURT ORDERS** that for purposes of implementation, administration, interpretation and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendant acknowledges and attorns to the jurisdiction of this Court solely for the purpose of implementing, administering, interpreting and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.
19. **THIS COURT ORDERS** that, except as provided herein, this Order does not affect any Claims or causes of action that any Releasor has or may have against the Non-Settling Electrolytic Defendants or named or unnamed alleged co-conspirators who are not Releasees.
20. **THIS COURT ORDERS** that no Releasee shall have any responsibility for and no liability whatsoever relating to the notice or administration of the Settlement Agreement or Distribution Protocol(s).
21. **THIS COURT ORDERS** that the Electrolytic Settlement Amount shall be held in the Trust Account by Ontario Counsel or its duly appointed agent for the benefit of Ontario Electrolytic Settlement Class members, pending further order of this Court on notice to the Defendants. This paragraph shall not be interpreted as affecting the rights of the Plaintiffs or the Settlement Classes to claim such Class Counsel Disbursements in the context of a

future costs award in their favour against the Non-Settling Defendants, or the rights of the Non-Settling Defendants to oppose and resist any such claim.

22. **THIS COURT ORDERS** that, upon the Effective Date, the Ontario Electrolytic Action is hereby dismissed as against the Settling Defendant, without costs and with prejudice.
23. **THIS COURT ORDERS** that the approval of the Settlement Agreement is contingent upon parallel orders for approval being made by this Court in the Ontario Film Action, the BC Court in the BC Action and the Québec Court in the Québec Action, and the terms of this Order shall not be effective unless and until the Settlement Agreement is approved in the Ontario Film Action, the BC Action and the Québec Action, and the BC Electrolytic Action has been dismissed with prejudice and without costs and the Québec Action has been declared settled out of court without costs and without reservation as against the Settling Defendant in the relevant proceeding by the Courts. If such orders are not secured in the Ontario Film Action, the BC Action and the Québec Action, this Order shall be null and void and without prejudice to the rights of the parties to proceed with the Ontario Electrolytic Action and any agreement between the parties incorporated in this Order shall be deemed in any subsequent proceedings to have been made without prejudice.
24. **THIS COURT ORDERS** that, in the event that the Settlement Agreement is terminated in accordance with its terms, this Order shall be declared null and void without need for further notice of this Court but with notice to the Ontario Electrolytic Settlement Class and the Non-Settling Electrolytic Defendants.
25. **THIS COURT ORDERS** that this Order, including but not limited to the approval of the Settlement Agreement and any reasons given by the Court in relation thereto, except as to paragraphs 12 to 17 of the Order, is without prejudice to the rights and defences of the Non-Settling Electrolytic Defendants in connection with the ongoing Ontario Electrolytic Action and, without restricting the generality of the foregoing, may not be relied on by any Person to establish jurisdiction, the criteria for certification (including class definition) or the existence or elements of the causes of action asserted in the Ontario Electrolytic Action as against the Non-Settling Electrolytic Defendants.

PROCEEDING UNDER THE *CLASS PROCEEDINGS ACT, 1992*

**ORDER**

**(Film Capacitors - Settlement Approval – Matsuo Settlement)**

**THIS MOTION** made by the Plaintiff for an Order approving the settlement agreement entered into with Matsuo Electric Co., Ltd. (the “Settling Defendant”) and dismissing this action as against the Settling Defendant, was heard this day at the Court House, 80 Dundas Street, London, Ontario.

**AND ON READING** the materials filed, including the settlement agreement dated ●, 2023 attached to this Order as **Schedule “A”** (the “Settlement Agreement”), and on hearing the

submissions of counsel for the Plaintiff, Counsel for the Settling Defendant and counsel for the Non-Settling Film Defendants;

**AND ON BEING ADVISED** that the Settling Defendant was named in the Ontario Film Action, but is not named in the BC Film Action or in respect of Film Capacitors in the Québec Action;

**AND ON BEING ADVISED** that the deadline for objecting to the Settlement Agreement has passed and there have been • objections to the Settlement Agreement;

**AND ON BEING ADVISED** that the Plaintiff and the Settling Defendant consent to this Order and that the Non-Settling Film Defendants take no position on this motion:

1. **THIS COURT ORDERS** that, for the purposes of this Order, except to the extent that they are modified in this Order, the definitions set out in the Settlement Agreement apply to and are incorporated into this Order.
2. **THIS COURT ORDERS** that, in the event of a conflict between this Order and the Settlement Agreement, this Order shall prevail.
3. **THIS COURT ORDERS** that the Settlement Agreement is fair, reasonable and in the best interests of the Ontario Film Settlement Class.
4. **THIS COURT ORDERS** that the Settlement Agreement is hereby approved pursuant to section 29 of the *Class Proceedings Act, 1992* and shall be implemented and enforced in accordance with its terms.
5. **THIS COURT ORDERS** that this Order, including the Settlement Agreement, is binding upon each member of the Ontario Film Settlement Class including those Persons who are minors or mentally incapable and the requirements of Rules 7.04(1) and 7.08(4) of the *Rules of Civil Procedure* are dispensed with in respect of the Ontario Film Action.
6. **THIS COURT ORDERS** that upon the Effective Date, each Ontario Film Settlement Class Member who has not validly opted out shall be deemed to have irrevocably consented to the dismissal of any Other Actions as against the Settling Defendant and the Releasees, without costs, with prejudice and without reservation.
7. **THIS COURT ORDERS** that upon the Effective Date, each Other Action commenced by any Ontario Film Settlement Class Member who has not validly opted out shall be and is hereby dismissed in respect of Released Film Claims against the Settling Defendant and the Releasees, without costs, with prejudice and without reservation.

8. **THIS COURT ORDERS** that, upon the Effective Date, subject to paragraphs 10 and 11, each Film Releasor who has not validly opted out has released and shall be conclusively deemed to have forever and absolutely released the Releasees from the Released Film Claims.
9. **THIS COURT ORDERS** that, upon the Effective Date, each Film Releasor who has not validly opted out as well as Class Counsel, shall not now or hereafter institute, continue, intervene in, provide assistance for, maintain or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other Person, any proceeding, action, suit, cause of action, claim or demand against any Releasee, or any other Person who may claim contribution or indemnity or other claims over relief from any Releasee, in respect of any Released Film Claims, except for the continuation of the Proceedings against the Non-Settling Film Defendants or unnamed co-conspirators that are not Releasees or, if the Proceedings are not certified, the continuation of the claims asserted in the Proceedings on an individual basis or otherwise against any Non-Settling Film Defendants or unnamed co-conspirators that are not Releasees. For the purposes of this paragraph 9, Class Counsel includes anyone on the Execution Date or thereafter employed by or a partner with Class Counsel.
10. **THIS COURT ORDERS** that the use of the terms “Film Releasors” and “Released Film Claims” in this Order does not constitute a release of claims by those members of the Ontario Film Settlement Class who are resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors.
11. **THIS COURT ORDERS** that, upon the Effective Date, each member of the Ontario Film Settlement Class who is resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors covenants and undertakes not to make any claim in any way or to threaten, commence, participate in or continue any proceeding in any jurisdiction against the Releasees in respect of or in relation to the Released Film Claims.
12. **THIS COURT ORDERS** that all claims for contribution, indemnity or other claims over, whether asserted, unasserted, or asserted in a representative capacity, inclusive of interest, taxes and costs relating to the Released Film Claims, which were or could have been brought in the Film Proceedings, Québec Action or any Other Actions, or otherwise, or could in the future be brought on the basis of the same events, actions and omissions underlying the Film Proceedings, Québec Action or any Other Actions, by any Non-Settling Film Defendant, any named or unnamed alleged co-conspirator that is not a Releasee,

any Settled Film Defendant, or any other Person or party against a Releasee, or by a Releasee against any Non-Settling Film Defendant, any named or unnamed alleged co-conspirator that is not a Releasee, any Settled Film Defendant, or any other Person or party, are barred, prohibited and enjoined in accordance with the terms of this paragraph (unless such claim is made in respect of a claim by a Person who has validly opted out of the Film Proceedings or Québec Action);

13. **THIS COURT ORDERS** that if this Court ultimately determines that there is a right of contribution and indemnity or other claim over, whether in equity or in law, by statute or otherwise:
- a. the Ontario Film Plaintiff and Ontario Film Settlement Class Members shall not be entitled to claim or recover from the Non-Settling Film Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee that portion of any damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigative costs claimed pursuant to section 36 of the *Competition Act*) that corresponds to the Proportionate Liability of the Releasees proven at trial or otherwise;
  - b. the Ontario Film Plaintiff and Ontario Film Settlement Class Members shall limit their claims against the Non-Settling Film Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, to include, and shall only seek to recover from the Non-Settling Film Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, only such claims for damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*), attributable to the aggregate of the several liability of the Non-Settling Film Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, to the Ontario Film Plaintiff and Ontario Film Settlement Class Members, if any, and, for greater certainty, the Ontario Film Settlement Class Members shall be entitled to seek to recover such damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*) on a joint and several basis as between the Non-Settling Film

Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, if permitted by law; and

- c. this Court shall have full authority to determine the Proportionate Liability of the Releasees at the trial or other disposition of the Ontario Film Action, whether or not the Settling Defendant remains in the Ontario Film Action or appear at the trial or other disposition, and the Proportionate Liability of the Releasees shall be determined as if the Releasees are parties to the Ontario Film Action and any determination by this Court in respect of the Proportionate Liability of the Releasees shall only apply in the Ontario Film Action and shall not be binding on the Releasees in any other proceeding.
14. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which the Non-Settling Film Defendants may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*) or judgment against them in favour of members of the Ontario Film Settlement Class in the Ontario Film Action or the rights of the Ontario Film Plaintiff and Ontario Film Settlement Class Members to oppose or resist any such arguments, except as provided for in this Order.
  15. **THIS COURT ORDERS** that a Non-Settling Film Defendant may, on motion to this Court determined as if the Settling Defendant remained parties to the Ontario Film Action, brought on at least thirty (30) days' notice to Counsel for the Settling Defendant and not to be brought until the Ontario Film Action against the Non-Settling Film Defendants has been certified as a class proceeding (but not including any certification for settlement purposes), seek orders for the following:

    - c. leave to serve a request to admit on the Settling Defendant in respect of factual matters; and/or

- d. the production of a representative of the Settling Defendant to testify at trial, with such witness to be subject to cross-examination by counsel for the Non-Settling Film Defendants.
16. **THIS COURT ORDERS** that the Settling Defendant retains all rights to oppose such motion(s) brought under paragraph 15. Moreover, nothing herein restricts the Settling Defendant from seeking a protective order to maintain confidentiality and protection of proprietary information in respect of Documents to be produced and/or for information obtained from discovery in accordance with paragraph 15. Notwithstanding any provision in this order, on any motion brought pursuant to paragraph 15, this Court may make such orders as to costs and other terms as it considers appropriate.
17. **THIS COURT ORDERS** that a Non-Settling Film Defendant may serve the motion(s) referred to in paragraph 15 above on the Settling Defendant by service on Counsel for the Settling Defendant in the Ontario Film Action.
18. **THIS COURT ORDERS** that for purposes of implementation, administration, interpretation and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendant acknowledges and attorns to the jurisdiction of this Court solely for the purpose of implementing, administering, interpreting and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.
19. **THIS COURT ORDERS** that, except as provided herein, this Order does not affect any claims or causes of action that any Releasor has or may have against the Non-Settling Film Defendants or named or unnamed alleged co-conspirators who are not Releasees.

21. **THIS COURT ORDERS** that the Film Settlement Amount shall be held in the Trust Account by Ontario Counsel or its duly appointed agent for the benefit of Ontario Film Settlement Class Members, pending further order of this Court on notice to the Defendants. This paragraph shall not be interpreted as affecting the rights of the Film Plaintiff or the Ontario Film Settlement Classes to claim such Class Counsel Disbursements in the context of a future costs award in their favour against the Non-

Settling Defendants, or the rights of the Non-Settling Defendants to oppose and resist any such claim.

22. **THIS COURT ORDERS** that, upon the Effective Date, the Ontario Film Action is hereby dismissed as against the Settling Defendant, without costs and with prejudice.
23. **THIS COURT ORDERS** that the approval of the Settlement Agreement is contingent upon parallel orders for approval being made by the Court in the Ontario Electrolytic Action, the BC Court in the BC Action, and the Québec Court in the Québec Action, and the terms of this Order shall not be effective unless and until such orders are made in the Ontario Electrolytic Action, the BC Action and the Québec Action. Lawyers for the Plaintiff

**COLUMBIA AND THE SUPERIOR COURT OF QUÉBEC**

**NOTICE OF CERTIFICATION / AUTHORIZATION FOR SETTLEMENT PURPOSES AND OF SETTLEMENT APPROVAL HEARINGS IN THE CANADIAN ELECTROLYTIC & FILM CAPACITORS CLASS ACTIONS**

**Did you purchase an aluminum or tantalum electrolytic capacitor or an electronic device containing an aluminum or tantalum electrolytic capacitor between September 1, 1997 and December 31, 2014 or a film capacitor or an electronic device containing a film capacitor between January 1, 2002 and December 31, 2014? If so, your legal rights could be affected.**

**WHAT ARE THE CLASS ACTIONS ABOUT?**

“Electrolytic capacitors” and “film capacitors” are two types of electronic components used in an electrical circuit in order to store a charge. Aluminum and tantalum electrolytic and film capacitors are found in electronics like smartphones, gaming consoles, home appliances and televisions, among other products.

Class actions alleging price-fixing and related conduct are ongoing in Canada on behalf of Canadians who purchased: 1) an aluminum or tantalum electrolytic capacitor or a product containing an aluminum or tantalum electrolytic capacitor between September 1, 1997 and December 31, 2014 (the “Electrolytic Settlement Class Members”), and/or 2) a film capacitor or a product containing a film capacitor between January 1, 2002 and December 31, 2014 (the “Film Settlement Class Members”) (collectively the “Class Actions”).

**ELECTROLYTIC AND FILM CAPACITOR SETTLEMENTS**

Settlements have been reached with Matsuo Electric Co., Ltd. (“Matsuo”) in the electrolytic and film capacitors matters and Shizuki Electric Co., Inc. and American Shizuki Corporation (“Shizuki”) in the film capacitors matter.

Matsuo has agreed to pay CAD \$1,175,000 for the benefit of the Electrolytic Settlement Class Members and CAD \$25,000 for the benefit of the Film Settlement Class Members.

Shizuki has agreed to pay CAD \$225,000 for the benefit of the Film Settlement Class Members.

In addition, Matsuo and Shizuki will provide cooperation to the plaintiffs in pursuing their claims against the remaining non-settling defendants. In exchange, Matsuo and Shizuki will be provided with a full release of the claims made against them in the Class Actions. The settlements are not an admission of liability, fault, or wrongdoing, but are a compromise of disputed claims.

The plaintiffs sought and were granted certification/ authorization for settlement purposes in Ontario, British Columbia and Québec on behalf of the Electrolytic Settlement Class Members in respect of the Matsuo settlement. Certification was also sought and granted for settlement purposes in Ontario on behalf of all national Film Settlement Class Members in respect of the Matsuo settlement and in Ontario and BC in respect of the Shizuki settlement.

Prior settlements with other defendants in the Class Actions have been approved by previous orders of the courts. Information with respect to these prior settlements can be found at [www.capacitorclassaction.ca](http://www.capacitorclassaction.ca).

**SETTLEMENT APPROVAL HEARINGS**

The Matsuo and Shizuki settlements must be approved by the courts before they become effective. Hearings are currently scheduled to take place in Ontario, British Columbia and Québec for the electrolytic capacitors matter, in Ontario for the Matsuo settlement in the film capacitors matter and in Ontario and BC for the Shizuki settlement in the film capacitors matter at:

- the Ontario Superior Court of Justice on •, 2024 at • a.m., by virtual hearing;
- the Supreme Court of British Columbia on •, 2024 at • a.m., in person at 800 Smithe Street
- Vancouver, British Columbia; and
- the Superior Court of Québec on •, 2024 at • a.m., in person at 1 Notre Dame Street, Montréal, Québec, court room • and by virtual hearing.

If you think you are an Electrolytic or Film Settlement Class Member and you want to participate in the settlement approval hearing in your jurisdiction, please contact the lawyers working on the Class Actions as listed below to confirm the date and time of the hearing and for instructions and particulars on how to

participate, or visit [www.capacitorclassaction.ca](http://www.capacitorclassaction.ca) for more information.

**DISTRIBUTION OF SETTLEMENT FUNDS**

The electrolytic settlement amount and the film settlement amount, minus court-approved lawyers’ fees, disbursements and applicable taxes, will be held in separate interest-bearing trust accounts, along with the previous settlement amounts, for the benefit of Electrolytic and Film Settlement Class Members in the Class Actions (the “Settlement Funds”).

As the Class Actions remain ongoing and as further recoveries may be achieved, the Settlement Funds will not yet be distributed to Electrolytic or Film Settlement Class Members. At a future time, the courts will approve a process for the payment of claims to class members. A further notice will be provided at the time of distribution.

**STATUS OF THE CLASS ACTIONS**

The Matsuo settlement is the tenth settlement entered into in the electrolytic capacitors matter. The Shizuki and Matsuo settlements are the ninth and tenth settlements entered into in the film capacitors matter. The Class Actions continue against 4 groups of non-settling defendants in the electrolytic capacitors matter and 8 groups of non-settling defendants in the film capacitors matter.

**SETTLEMENT APPROVAL AND LAWYERS’ FEES**

At the settlement approval hearings, the courts will determine whether the settlements are fair, reasonable, and in the best interests of the Electrolytic and Film Settlement Class Members.

The lawyers working on these Class Actions will be requesting court approval of fees of 25% of the electrolytic and film settlement amounts, plus disbursements and applicable taxes. This request may be heard in whole or in part by the courts at the same time as the settlement approval hearings or at a later date. If approved, these amounts may be paid to the lawyers out of the Settlement Funds at that time.

**If you do not oppose the proposed settlement, you do not need to do anything at this time.**

If you wish to comment on or object to the settlements or the lawyer’s fees, you must deliver a written submission to one of the law firms listed below **by •, 2024**. The lawyers will forward any submissions to the appropriate court.

**OPTING OUT OF THE PROCEEDINGS**

The court-ordered deadline for Electrolytic and Film Class Members to opt out of the Class Actions was October 24, 2018. If you did not previously opt out, you are legally bound by the result of the Class Actions, including the Matsuo and Shizuki settlements.

SETTLEMENT APPROVAL HEARINGS IN THE CANADIAN ELECTROLYTIC & FILM  
CAPACITORS CLASS ACTIONS**

**TO: All persons in Canada who purchased an aluminum or tantalum electrolytic capacitor or a product containing an aluminum or tantalum electrolytic capacitor between September 1, 1997 and December 31, 2014 (the “Electrolytic Settlement Class Members”) and/or a film capacitor or a product containing a film capacitor between January 1, 2002 and December 31, 2014 (the “Film Settlement Class Members”).**

*If you bought an electronic device such as a computer, smartphone, gaming console, home appliance or television containing an electrolytic and/or film capacitor, you may be an Electrolytic or Film Settlement Class Member and your legal rights could be affected.*

**PLEASE READ THIS NOTICE CAREFULLY AS IT MAY AFFECT YOUR LEGAL RIGHTS.**

**1. WHAT IS A CLASS ACTION?**

A class action is a lawsuit filed by one person on behalf of a large group of people that has been “certified” or “authorized” by a Canadian court and determines “common issues” for the group of people known as the “class”.

**2. WHAT ARE ELECTROLYTIC AND FILM CAPACITORS AND WHAT ARE THESE CLASS ACTIONS ABOUT?**

“Electrolytic capacitors” and “film capacitors” are two types of electronic components used in an electrical circuit in order to store a charge. Aluminum and tantalum electrolytic and film capacitors are found in electronics like smartphones, gaming consoles, home appliances and televisions, among other products.

In 2014, class proceedings were initiated in Ontario, British Columbia and Québec on behalf of Canadians who purchased an aluminum or tantalum electrolytic capacitor or a product containing an aluminum or tantalum electrolytic capacitor between September 1, 1997 and December 31, 2014 (the “Electrolytic Class Period”). In 2015 and 2016, separate class proceedings were initiated on behalf of Canadians who purchased a film capacitor or a product containing a film capacitor between January 1, 2002 and December 31, 2014 (the “Film Class Period”) (together the “Class Actions”)

The Class Actions claim that the companies that sell aluminum or tantalum electrolytic and film capacitors were involved in unlawful conspiracies to fix, maintain or increase the prices of these products.

### **3. WHAT IS A SETTLEMENT AND WHAT SETTLEMENT HAS BEEN REACHED IN THESE CLASS ACTIONS?**

#### *What is a settlement?*

A settlement is when a defendant agrees to pay money to the members of the class action in exchange for having the case against it dismissed.

Settlement agreements have been reached in the Class Actions. The plaintiffs in the Class Actions have agreed to provide a combined notice of the settlements to class members in their respective proceedings.

#### *What new settlement has been reached?*

Settlements have been reached with Matsuo Electric Co., Ltd. (“Matsuo”) in the electrolytic and film capacitors matters and Shizuki Electric Co., Inc. and American Shizuki Corporation (“Shizuki”) in the film capacitors matter.

Matsuo has agreed to pay CAD \$1,175,000 for the benefit of the Electrolytic Settlement Class Members and CAD \$25,000 for the benefit of the Film Settlement Class Members.

Shizuki has agreed to pay CAD \$225,000 for the benefit of the Film Settlement Class Members.

In addition, Matsuo and Shizuki have agreed to provide cooperation to the plaintiffs in pursuing their claims against the non-settling defendants. In exchange, they will be provided with a full release of the claims against them in relation to the Class Actions.

The settlements are not an admission of liability, fault, or wrongdoing, but are a compromise of disputed claims. The plaintiffs sought and were granted certification/ authorization for settlement purposes in Ontario, British Columbia and Québec on behalf of the Electrolytic Settlement Class Members in respect of the Matsuo settlement. Certification was also sought and granted for settlement purposes in Ontario on behalf of Film Settlement Class Members in respect of the Matsuo settlement and in Ontario and BC in respect of the Shizuki settlement.

#### *The Settlement Approval Hearings*

The settlements are subject to court approval. There will be settlement approval hearings in Ontario, British Columbia and Québec for the electrolytic capacitors matter in respect of the Matsuo settlement. There will also be a settlement approval hearing in Ontario for the film capacitors matter in respect of the Matsuo and Shizuki settlements and in BC in respect of the Shizuki settlement. These hearings are currently scheduled as follows:

- Before the Ontario Superior Court of Justice on •, 2024 at • a.m., by virtual hearing;
- Before the Supreme Court of British Columbia on •, 2024 at • a.m., in-person at 800 Smithe Street Vancouver, British Columbia; and
- Before the Superior Court of Québec on •, 2024 at • a.m., in-person at 1 Notre Dame Street, Montréal, Québec, court room • and by virtual hearing.

In considering the approval of the settlements, the courts will decide whether the settlements are fair, reasonable, and in the best interests of Electrolytic and Film Settlement Class Members.

If you think you are an Electrolytic or Film Settlement Class Member and you want to participate in the settlement approval hearing in your jurisdiction, please contact the lawyers working on the Class Actions to confirm the date and time of the hearing and for instructions and particulars on how to participate. Contact information for the lawyers can be found below. Please visit [www.capacitorclassaction.ca](http://www.capacitorclassaction.ca) for further information in advance of the settlement approval hearings.

#### Previous Settlements Reached

Previous settlements have been reached in the electrolytic capacitors matter with the TOKIN, Panasonic, ELNA, Holy Stone, ROHM, Fujitsu, KEMET, Nichicon and NCC/UCC defendants, valued collectively at CAD \$54,280,000 and in the film capacitors matter with the Okaya, Nitsuko, Panasonic, ELNA, Holy Stone, KEMET, Nichicon and NCC/UCC defendants, collectively valued at CAD \$3,167,000. These settlements have been approved by previous orders of the courts.

For more information about the settlements, please visit the settlement website at [www.capacitorclassaction.ca](http://www.capacitorclassaction.ca).

#### **4. WHO IS AFFECTED BY THE SETTLEMENT?**

While the Class Actions were started in Ontario, British Columbia and Québec, they include persons in all provinces and territories in Canada who purchased an aluminum or tantalum electrolytic and/or film capacitor or a product containing an aluminum or tantalum electrolytic and/or a film capacitor.

The Electrolytic Settlement Class Members are: ***all persons in Canada who purchased an aluminum or tantalum electrolytic capacitor or a product containing an aluminum or tantalum electrolytic capacitor between September 1, 1997 and December 31, 2014.***

The Film Settlement Class Members are: ***all persons in Canada who purchased a film capacitor or a product containing a film capacitor between January 1, 2002 and December 31, 2014.***

#### **5. WHEN WILL THE SETTLEMENT AMOUNTS BE DISTRIBUTED?**

The electrolytic settlement amount and film settlement amount, minus court-approved lawyers' fees, disbursements and applicable taxes, will be held in separate interest-bearing trust accounts with the previous settlement amounts, for the benefit of the Electrolytic and Film Settlement Class Members in the Class Actions (the "Settlement Funds").

As the Class Actions remain ongoing and as further recoveries may be achieved, the Settlement Funds will not be distributed to Electrolytic or Film Settlement Class Members at this time. At a future time, the courts will approve a process for the payment of claims to class members. Watch for another notice explaining how to claim money from the settlements.

## 6. WHAT IS THE STATUS OF THE CLASS ACTIONS AGAINST THE OTHER DEFENDANTS?

Matsuo is the tenth defendant to enter into a settlement in the electrolytic capacitors matter. Shizuki and Matsuo are the ninth and tenth defendants to enter into a settlement in the film capacitors matter. The Class Actions will continue against 4 groups of non-settling defendants in the electrolytic capacitors matter and 8 groups of non-settling defendants in the film capacitors matter.

In Québec, the class action with respect to electrolytic capacitors was authorized by the Superior Court of Québec on March 22, 2019. This means that the class action can proceed towards trial against the non-settling defendants and the common issues (as defined in the authorization judgment) will be determined in a single proceeding on behalf of all the members of the authorized class. A motion for certification of the Ontario electrolytic class action was heard by the Ontario Superior Court of Justice over several days between September 28, 2022 – October 7, 2022. On April 28, 2023, the Ontario Superior Court of Justice certified the Ontario electrolytic action. The non-settling defendants have sought leave to appeal the certification decision.

## 7. WHAT DO I NEED TO DO AT THIS TIME?

If you do not oppose the proposed settlements, you do not need to do anything.

If you want to tell the courts what you think about the proposed settlements or speak to the courts at the hearings mentioned above, you must send your written submissions to the lawyers working on the Class Actions **by •, 2024 at the latest**. Contact information for the lawyers can be found under heading 11 below. The lawyers will file all such submissions with the appropriate court.

## 8. OPT OUT DEADLINE PASSED ON OCTOBER 24, 2018

The court-ordered deadline for Electrolytic and Film Class Members to opt out of the Class Actions was **October 24, 2018**. If you did not previously opt out, you are legally bound by the results of the Class Actions, including the Matsuo and Shizuki settlement agreements.

## 9. WHAT DO I HAVE TO PAY?

You do not have to pay the lawyers working on the Class Actions any money. Lawyers working on these Class Actions will be paid from the money collected in these Class Actions. The courts will be asked to decide how much the lawyers will be paid. While the respective retainer agreements permit a fee request of up to 30%, at this time the lawyers will collectively be asking that the courts approve legal fees of 25% of the Electrolytic and Film settlement amounts, plus disbursements and applicable taxes. This request may be heard in whole or in part by the courts at the same time as the settlement approval hearings or at a later date. Any approved lawyers' fees, disbursements and applicable taxes may be paid out of the settlement amounts at that time.

If you wish to comment on or make an objection to lawyers' fees, a written submission must be delivered to the appropriate lawyers at the addresses listed below **by •, 2024, at the latest**. Lawyers will forward all such submissions to the appropriate court. If you do not file a written submission by the deadline, you might not be entitled to participate in the hearing, and your submission may not be brought to the attention of the courts.

## 10. WHAT IF THE SETTLEMENT AGREEMENT IS NOT APPROVED?

The certification/authorization orders for settlement purposes only are only valid if the settlement is approved by all three courts in Ontario, BC and Québec in respect of Matsuo and by the Ontario and BC courts in respect of Shizuki.

If the settlements, or either one of them, are not approved or otherwise fail to take effect, the certification/authorization for settlement purposes orders will not stand, and the litigation will continue against Matsuo and Shizuki in the Class Actions.

## **Proposed Settlements Totaling CAD \$1.425M Reached in Electrolytic & Film Capacitor Class Actions**

LONDON, ON – [DATE] – Proposed national settlements totaling CAD \$1,425,000 for the benefit of class members have been reached in class actions alleging price fixing and related conduct on behalf of Canadians who purchased aluminum and tantalum electrolytic and/or film capacitors and products containing aluminum and tantalum electrolytic and/or film capacitors.

Matsuo Electric Co., Ltd. (“Matsuo”) has agreed to pay CAD \$1,175,000 for the benefit of the Electrolytic Settlement Class Members and CAD \$25,000 for the benefit of the Film Settlement Class Members.

Shizuki Electric Co., Inc. and American Shizuki Corporation (“Shizuki”) has agreed to pay CAD \$225,000 for the benefit of the Film Settlement Class Members.

An "electrolytic capacitor" and a "film capacitor" are two types of electronic components used in an electrical circuit to store a charge. They are found in electronics such as smartphones, gaming consoles, home appliances and televisions, among other electronic products.

To be a member of these class actions, one must have purchased an aluminum or tantalum electrolytic capacitor or a product containing an aluminum or tantalum electrolytic capacitor between September 1, 1997 and December 31, 2014 or have purchased a film capacitor or a product containing a film capacitor between January 1, 2002 and December 31, 2014.

In addition, Matsuo and Shizuki have agreed to provide cooperation to the plaintiffs in pursuing their claims against the non-settling defendants. The settlements are not admissions of liability, fault, or wrongdoing, but are compromises of disputed claims. The settlements must be approved by the courts before they become effective.

Because the class actions are still ongoing and other settlements may be reached, the settlement amounts will not yet be distributed to class members. A process for the payment of claims to class members will be sought in the future. That process will be subject to court approval and will follow a further notice to the class.
