Plaintiffs Defendants

Court File No. 3795/14 CP

SEAN ALLOTT v. AVX CORPORATION, et al.  
Plaintiff Defendants

Court File No. 1272/16 CP

February 6, 2025

Matter certified for settlement purposes. The criteria for certification are satisfied for substantially the same reasons articulated for earlier settlements in this matter. Proposed notices and notice plan approved. The materials filed are consistent with earlier settlements and the process followed for their approval. It makes sense to add this settlement to the notice already approved for other pending settlement approval hearing. Doing so reduces costs and saves court time.
